### ALOHA'S SET UP FEE SCHEDULE

- \$ 50.00 San Diego Proper (Downtown, Mission Valley, National City, La Mesa, Kearny Mesa & La Jolla)
- \$ 75.00 East, South and Mid North County (Chula Vista, El Cajon, Poway, Del Mar, Solana Beach)
- \$ 100.00 North County (Carlsbad, Oceanside, Vista, San Marcos, Escondido, Rancho Bernardo)
- \$ 150.00 Orange County, Riverside..

### DON'T LET THEIR LOWER SET UP FEE FOOL YOU.

Aloha is less in most cases and as you can see by the data that as the document quantity goes up Aloha becomes less and less money on the bottom line. Significantly less in the much larger quantities.

We have higher set up fees for farther away to try and avoid sending someone on a four hour drive to copy 20 pages. The sliding set up fee schedule helps to justify and soften those situations.

### DOCUMENT ESTIMATE'S

- Loose documents average around 175-200 pgs per inch
